AREW's New Crew

Yesterday, we joined **AREW** at the **Russian Tea Room** for lunch and its annual **changing the guard**, minus the strict military march and **ushankas**. Taking helm of the organization for '10-'11 are GuardHill Financial Group's **Rochelle Crespi**, JLC Environmental's **Jennifer Carey**, Perkins+Will's **Debra Cole** (prez), Zetlin & DeChiara's **Lina Telese**, and Paul Hastings' **Jill Cassels**.

Outgoing prez **Rebecca Mason** of Caran Properties, in her last hurrah, presented the lifetime achievement **AREW Founders' Award** to two people this year, calling the women "**unsung heroes**," who provided sincere effort, had intelligent direction, and did extraordinary things quietly. Here, Rebecca and award founder **Faith Hope Consolo** of Prudential Douglas Elliman flank the winners: JFK&M Consulting Group's **Pat Hildebrandt** and KTR Real Estate Advisors' **Theresa Nygard**. Public relations maven **Judith Alberty** also received special recognition for her two decades of AREW service.
