Consolo & NYCREW Get Creative With The "Deal"

The meeting room at Crowell & Moring, LLP was packed as **Faith Hope Consolo, chairman of Prudential Douglas Elliman's Retail Group**, along with moderator Karen Dome, principal, Justdan Realty; Barbara E. Champoux, partner, Crowell & Moring, LLP, sponsor of the event; and Elizabeth Muskat, managing director, Ferzan, Robbins & Associates, LLC led a lively panel discussion, "Commercial Leasing: Where are the Deals?" for "The Art of the NYCREW Deal" series.

Consolo focused on ways in which members of NYCREW (New York Commercial Women in Real Estate) could work together to identify and leverage commercial and retail leasing opportunities.

Spearheading the evening was a moving ceremony in which 30 young women from the Youth Empowerment Mission (YEM) were honored for their efforts to help their organization find new space. YEM is a non-profit group that provides life-skill and educational services to young people living in high-risk situations.
